

*We have been celebrating Eid in Nursery school.*

Eid, which means "festival of breaking the fast", is a religious holiday and a day of celebrations when Muslims will give thanks to Allah, and exchange small gifts and cards. People usually dress in new clothes or in their finest outfits for the day.

We watched a short video on CBeebies explaining the festival.

We then created our own star and moons using salt dough.

We have learnt new words and meanings such as Temple, Muslim, Mosque .
