

Remembrance Day

The children have been exploring British Values learning about Remembrance Day. We watched a short video about why we wear poppies. The children talked about this saying:

Child: "It's for soldiers"

Child: "My daddy got one (a poppy), we seen the people" after going to the Remembrance parade

Child: "It's for the people who helped us because there was a bad man who hurt people" showing us her poppy on her coat.

Child: "It's to remember isn't it?"

We then looked at poppies and made poppy biscuits spreading icing onto the biscuit.
