## Warrington Road Nursery School Summer Term Newsletter

We welcomed 11 new children in April and are really pleased at the way they are settling in. If your child started in April a questionnaire for you to fill in will follow. If your child leaves in July I will also be sending out a questionnaire to gather views about the nursery. Parent feedback is really important to us so I would be grateful if you have chance to fill it in.

### New Schools

If your child leaves us in July then can you please let us know which school they are going to. All children leaving will have a report sheet which staff will be working on in the next few weeks and sharing with you prior to the end of term.

### Sunny Weather!

Please ensure your child has appropriate sun lotion and this is applied before they come to nursery school. A hat during the hot weather is essential along with clothes that cover the skin to prevent sunburn. The children can also bring a bottle with water into keep in the box above their peg. Please remember that children are only able to have **water** in their bottles and **not juice**. We operate a healthy eating policy and also some children have allergies to the colouring and flavourings in juice.

### Half Term Holidays

Nursery school will close after your child's usual session on **Friday 27<sup>th</sup> May** and reopen on **Wednesday 8<sup>th</sup> June**.

### End of Term

Nursery closes on  
Wednesday 20<sup>th</sup> July  
**At 11.00 AM & 2.45 PM**

Please drive carefully outside the children's centre.  
Please also remember to use the car park and not park on the yellow zig – zags

### Stay and Play Sessions

We had a really positive response to our 'Stay and Play'. You will have the opportunity to stay with your child to see what they are doing in nursery, play alongside them, observe the way that staff talk to them, as well as see how independent they are. After this there will be an opportunity to have a drink and chat to your child's key person.

## Operation Encompass

All schools in Halton, Warrington, Cheshire West & Chester and Cheshire East participate in a project called Operation Encompass. This is run in partnership with Cheshire Police and aims to support children aged 4 and over who are affected by domestic abuse.

Following a domestic abuse incident, the Police will make contact with the school and communicate relevant information to nominated school staff, to ensure that the school are made aware early enough to support children and young people in a way that means they feel safe and included.

Each school has a member of staff (key adult) who is trained to liaise with the police, when required, whilst ensuring support is available to the child.

We are committed to working in partnership, to safeguard and protect children across Cheshire and provide the best possible care and support for our pupils.

If you would like to speak to someone further about the project or require further information, please do not hesitate to contact Amanda Brown or Lynn Miller.

Supporting children through key adults

**Roadworks** are taking place now until 8<sup>th</sup> July. There will be times when the road is completely closed to all vehicles so please allow enough time to park and walk to Nursery School. Halton Council and the contractors have told us they will try and let us know when work is planned around our centre so hopefully we will have more idea on when the full closures will take place.

**Water bottles**- You can bring in a named bottle with water only (not juice or flavoured water) and put it in the box above your child's peg for them to have a drink whenever they choose during the session. These must be taken home after the session to be refilled ready for the next day. Please be aware that staff will empty out anything other than water. Water is the healthiest option for your child & their teeth. Other drinks may pose a risk to another child with allergies.

## Summer Trip

The children will visit Imagine That Liverpool on **Monday 20<sup>th</sup> June.**

Letters have already gone out!

Please let us know as soon as possible if your child is attending so that numbers can be confirmed.

## NURSERY SCHOOL WILL BE CLOSED ON THIS DAY
